

HB 1494-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/09/05)

Requires the office of superintendent of public instruction and the department of health to collaborate and develop a work group to assess school nursing services in class I school districts. The work group may consult with representatives from the following groups: School nurses, schools, students, parents, teachers, health officials, and administrators.

Requires the office of superintendent of public instruction to report its findings and plans for implementation to the legislature by February 1, 2006.

Expires June 30, 2006.

Provides that the act shall be null and void if appropriations are not approved.
